Lender

Borrower

Loan Agreement

It is agreed as follows:

1. Contract objective

The lender makes available to the borrower a Test Kit at no charge, that is described in detail in Appendix 1 for the purpose of testing. The borrower shall have the opportunity to experience the functionality and the quality of the product.

2. Rental dates and return

- 2.1 The loan period begins on the day of collection of the Test Kits from the lender and ends the next day (return day). If the return day is on a Sunday or public holiday, the loan period ends on the following working day. Saturdays count as working days.
- 2.2 On the return day the borrower shall return the Test Kit until 18:00 at the registered office of the lender. If the lender closes before 18.00 on the return day, the return must be made within the opening times.
- 2.3 Subject to the provisions contained in Section 2.4, the extension of the loan period and the repeated loan of the Test Kits is excluded to the borrower.
- 2.4 In the event that it is determined after the transfer of the Test Kits to the borrower, that this – through no fault of the borrower – is not working properly or has deficiencies, the lender can offer at his discretion the borrower a replacement Test Kit, if one is available. The loan period mentioned in section 2.1 is then calculated from the transfer of replacement Olympus rental system again.
- 2.5 In case of late return of the Test Kits, or individual components thereof, the borrower will pay a penalty, for every day on which the Test Kit, are returned late to the lender an amount of 1% of the total value listed in Appendix 1 of the Test Kits, a total maximum amount of 5% of the total value listed in Appendix 1. With the right of the lender on return as well as any further damages remains unaffected by the obligation to pay the penalty. The penalty will be counted towards any compensation claims.

3. Correct usage agreement, obligations of the borrower, the borrower liability

- 3.1 The borrower must be 18 or over and be a UK resident.
- 3.2 The borrower can use the Test Kit for no other purpose than to test the Olympus product and to learn about the functionality of the Olympus product for private test shots and-records, in particular, he is not entitled to allow the use of the Test Kits to a third party.
- 3.3 The borrower has to provide upon collection of the Test Kit at the request of the lender, credit card details, photo ID and a utility bill in accordance with appendix 2 to the lender. If the lender detects damages on return of the rental Test Kit, the lender is entitled to bail pending further clarification of the cause of damage or withhold responsibility and – if the damages are the responsibility of the borrower – the cost of repairing the damage will be charged against the card details provided. The same applies to the penalty in case of late return of the rental Test kit as described in Section 2.5.
- 3.4 The borrower shall show to the dealer upon collection of the Test Kits an identity card and a copy of further proof of identity (eg driver's license) at the lender's request. The copy is returned to the borrower upon the return of Test Kits.

- 3.5 The lender must to indicate any defects of the Test Kit upon returning. Additionally, lender and borrower must verify the completeness of the Test Kit and must make a note of any defects in the handover certificate (Appendix 2).
- 3.6 The Test Kit is the property of the lender. The borrower must handle the Test Kit with care. In particular, it provides a clean and dry storage. The borrower accept no dispositions (eg, sell, rent, etc.) and no changes to make him or on his behalf.
- 3.7 The borrower, in the event of a culpable deterioration of Test Kits or individual components thereof may compensate the lender the resulting damage.
- 3.8 In the case of loss (eg, loss, damage, destruction, etc.) of the borrowed Test Kit, or individual components thereof, the borrower accepts responsibility of equipment to the lender up to the value shown in appendix 1 of the Test Kit or each reported lost component.

4. Liability of the lender

- 4.1 The lender is not liable for the success of the test-shots and records, nor a certain image quality or a continuous functional capacity or specific performance of the Test Kits.

5. Final provisions

- 5.1 Verbal side agreements to this contract do not exist. Any changes to this Agreement and its attachments must be in writing. This also applies to the repeal of the foregoing writing requirement.
- 5.2 If any provision of this agreement should become invalid, the validity of the remaining provisions shall not be affected. The parties undertake to replace the invalid provision by a valid one as soon as possible to the economic intent.

6. Consent of the borrower

I, the borrower would like to be informed about interesting new products, offers, discounts, promotions or news of the lender.

- [] (if applicable please tick) I agree to be contacted or approached for this purpose by mail, phone, text, email from the lender. This consent can be revoked at any time fully or partially with effect in the future.

The contradiction is in writing, by telephone, by email or fax to:
